THE AMERICAN LEGION

Cape Coral, Florida - Post #90

NOV. – DEC. 2021

COMMANDER'S CORNER

With John Baker

Hello everyone,

Post 90 was busy the last two months and we are looking forward to all of the Snowbirds coming home for the winter. There are a few important events coming up in November and December.

Everyone should be aware that the Executive Committee and Membership meetings scheduled for December 27, 2021 have been canceled. That is the end of the Christmas Holiday, and many of us will be returning from the long holiday weekend.

Thursday, November 11th, 2021 is Veteran's Day and the Post Color Guard will be marching in the Cape Coral Veteran's Day Parade. Also, we have made arrangements for anyone who wants to participate in the parade to ride or walk if they wish. The parade is about one to one and a half miles long from Cape Coral Street (by former Perkins) to Chester Street along Cape Coral Parkway. If you want to be in the parade, please contact Post 90's Sgt. at Arms, Carl Saitta. There will be a meal at the Post after the parade.

For Thanksgiving, American Legion Auxiliary Unit 90 is collecting food items for needy Veterans and people residing in Cape Coral. Collection boxes are positioned in the Post; please donate to this good cause. Also, the Auxiliary has Buddy Poppies available in the Canteen; please take one and make a charitable contribution to this great cause. Post 90 will be closed on Thanksgiving Day (November 25) and Christmas Day (December 25); so, please enjoy your holidays.

"RED FRIDAY" T-Shirts are available at the Canteen. Please ask a Bartender for details.

The revised Constitution and By-Laws will be available on the Post Web site, and will be emailed. We ask that you review the document and provide your comments to Jeff Zambrana-Post Judge Advocate, before November 22, 2021. We are required to review the Constitution and By-Laws every three years but, the COVID-19 Pandemic threw a wrench in that plan in 2020. Also, The American Legion Department of Florida completely revised the template that we are required to use; so, you will get the complete revised document.

We here at Post 90 have an excellent Veteran's Service Officer (VSO): Ben Blalock, who is trained to assist Veterans with their walk through the VA maize. Ben can be contacted by phone or email. If you need help, PLEASE contact them and make an appointment.

If as an American Legion Member you qualify to also be a member of the Sons of the American Legion or the Legion Auxiliary or the Post 90 Legion Riders, please do so. There is a substantial discount on the annual dues for being a Dual Member. Please remember the soldiers, sailors, marines, airmen and coast guardsmen who sacrificed so much for our freedom, liberty and our way of life.

For God and Country,

American Legion Post 90 Commander,

John Baker

Hello Everyone,

I hope everyone is safe & well. Dick Ropotsky & John Romano have passed away recently and they were both members of our post. I have sent their families sympathy cards. Please pray for their family and loved ones. If you know of anyone else who is sick or passed away in our American Legion Post 90 membership, please let me know. You can reach me at: (239)313-8630. I hope everyone has a Happy Thanksgiving, Merry Christmas, & Happy New Year!

Sincerely,

American Legion Post 90 Chaplain,

Jerry Gray

While riding his Harley, an American legion Rider swerved to avoid hitting a deer, lost control and landed in a ditch, severely banging his head. Dazed and confused, he crawled out of the ditch to the edge of the road when a shiny new convertible pulled up with an exceptionally beautiful woman driving who asked, "Are you okay?"

"I'm okay I think.," he replied as he pulled myself up to the side of the car to get a closer look.

She said, "Get in and I'll take you home so I can clean and bandage that nasty scrape on your head."

"That's nice of you," he answered, "but, I don't think my wife will like me doing that!"

"Oh, come now, I'm a nurse.," she insisted. "I need to see if you have any more scrapes and then treat them properly."

Well, she was pretty and very persuasive. Being shaken and weak, he agreed but repeated, "I'm sure my wife won't like this."

They arrived at her place which was just few miles away and, after a couple of cold beers and the bandaging, he thanked her and said, "I feel a lot better, but I know my wife is going to be really upset so I'd better go now."

Don't be silly!" she said with a smile. "Stay for a while. She will not know anything. Where is she?"

"My guess is that she's still in the ditch."

Hello Everyone,

Some of you may be unaware of possible property tax exemptions that you may be eligible for benefits in Lee County. Let me summarize these for you here.

Basic Property Tax Exemptions

Eligible residential veterans with a VA certified service-connected disability of 10 percent or greater shall be entitled to a \$5,000 deduction on the assessment of their home for tax exemption purposes. The veteran must establish this exemption with the Lee County Tax Office by providing documentation of this disability. The unremarried surviving spouse of a disabled ex-service member, who on the date of the disabled ex-service member's death had been married to the ex-service member for at least five years, is also entitled to this exemption. (FS 196.24)

Additional Property Tax Exemptions

Any real estate owned and used as a homestead by a veteran, who was honorably discharged and has been certified as having a service-connected, permanent, and total disability is exempt from taxation if the veteran is a permanent resident of Florida and has legal title to the property on Jan. 1st of the tax year for which the exemption is being claimed. (FS 196.081(1)) Any real estate owned and used as a homestead by the surviving spouse of an Armed Forces member who died from service-connected causes while on active duty is exempt from taxation if the member was a permanent resident of Florida on Jan. 1st of the year in which the member died. (FS 196.081(4)(a)) If, upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides there, the exemption from taxation carries over to the benefit of the veteran's spouse until such time as he or she remarries, sells, or otherwise disposes of the property. If the spouse sells the property, an exemption not to exceed the amount granted from the most recent ad valorem tax roll may be transferred to the new residence as long as it is used as the primary residence and the spouse does not remarry. (FS 196.081(3)) Any partially disabled veteran who is age 65 or older, any portion of whose disability was combat-related, and who was honorably discharged, may be eligible for a discount from the amount of ad valorem tax on the homestead commensurate with the percentage of the veteran's permanent service-connected disability. Eligible veterans should apply for this benefit at the county property appraiser's office. (FS 196.082) This exemption carries over to surviving spouses effective Jan. 1st, 2021. Any real estate used and owned as a homestead by any quadriplegic is exempt from taxation. Veterans who are paraplegic, hemiplegic, or permanently and totally disabled who must use a wheelchair for mobility, or are legally blind, may be exempt from real estate taxation. Check with the Lee County property appraiser to determine if gross annual household income qualifies. The veteran must be a resident of Florida. (FS 196.101) Service members entitled to homestead exemption in this state, and who are unable to file in person by reason of such service, may file through next of kin or a duly authorized representative. (FS 196.071)

Finally, if you are a Veteran in crisis or concerned about one, connect with caring, qualified responders at the Veteran's Crisis Line for confidential help by calling 1-800-273-8255, or by texting 838255. Many of them are Veterans themselves. Get more resources at:

www.VeteransCrisisLine.net

As always if you have any questions about your benefits, please see a Service Officer.
My number is: (239)900-6800.

Sincerely,

American Legion Post 90 Service Officer,

Ben Blalock

POST 90 AUXILIARY CORNER

Hello Everyone,

The Unit 90 American Legion Auxiliary held their monthly meeting on the 21st of September at 7 PM. Five new members participated in an initiation ceremony as part of the meeting. Each lady received a poppy, an American Flag, and a copy of the Unit 90 Constitution and By-laws. Twenty-eight ladies joined Unit 90 in 2021. Packets containing an initiation certificate, a poppy, and Unit 90 Constitution and By-laws were mailed to their homes. Our current membership tops three hundred due to successful recruiting initiatives. All new and current members can become active with the Auxiliary in its programs.

The Troop Package program in September was a remarkable success. Suzanne Childers donated items and put together two lovely baskets which raised \$1200. Donna Leonard, the program chair, presented the check to the President of the Blue Star Mothers who will use the funds to purchase and send needed items to deployed service members from our area.

Nancy Mizen organized a Quarter Auction on October 11th, 2021, at the Legion. She had over twenty baskets with assorted items and vendors in attendance. Money raised from the auction went towards the Christmas Baskets for veterans and their families. Thanks to all who volunteered to help and attended the event.

We are looking for volunteers for these upcoming events:

Poppy Sales – Month of November

Thanksgiving Baskets Donation/Delivery – To Be Determined

Christmas Party for Children and their Families – December 20th, 2021

There was a monthly meeting of the ALA on the 25th of October at 5 PM at the Legion. The next American Legion Unit 90 meeting will be at Post 90 on November 15th, 2021, at 7pm. Anyone interested in volunteering for any events, baking, or raffles can contact Paula Martinez at cw3martinez@gmail.com. Emails with meeting minutes and meeting agendas are being sent each month to every member, please let me know if you are not receiving them.

Sincerely,

President of American Legion Post 90 Auxiliary,

Paula A. Martinez

ARE YOU IN NEED OF FOOD?

Hello Everyone,

I know right now it is hard on everyone but, being hungry is not something that we should have to do. I remember growing up and going to bed hungry because we had no food in the house. Sometimes, I could only get a meal while at school. We, the veterans of this great nation and this great state should be working hard to ensure that no veteran, and no child, should go without food.

Just wanted to let our family members know that anyone needing food can stop by Post 38 on Monday, Wednesday, and Friday between 11am to 2pm to pick up food. This is open to all American Legion members from any post. Please bring a membership card with a photo Id. Thank you, respectfully. Here is their information:

POST 90 MARKETING CORNER

Hello Everyone,

Bike Night in Cape Coral a remarkable success for Post 90! I am delighted to report the successful event the Marketing Committee experienced at Cape Coral's Bike Night on Saturday, October 9th, 2021, with the help of the American Legion Riders, Sons of the Legion, and American Legion Unit 90 Auxiliary. We had conversations with 60-70 festival attendees, distributed forty applications, and gave out fifty business cards. Most importantly, we collected contact information on twenty-eight prospects, including three S.A.L, three A.L.A., four Legion Riders, and eighteen regular members. Of course, now the challenging work of "following up" on these prospective leads begins; however, the publicity obtained for our Post and our programs, gained from being exposed to hundreds of festival attendees, is unmeasurable but effective in enhancing our image. I suspect the motorcycles were a real attention grabber, as was our highly decorated tent with lights which, thanks to Jeff, was near the entrance to the vendor area. As an aid, we also collected \$60 of poppy contributions! I would like to thank Jeff Zambrana, Bruce Bolander, James Stephens, and Brian Ensley from the American Legion Post 90 Marketing Committee, Taz Gehling from S.A.L, American Legion Post 90 Riders Rick English, John Fitzgerald, and two other Legion Riders. I look forward to the German – American Oktoberfest on Saturday and Sunday of October 23rd and 24th, 2021. It promises to be just as productive.

Sincerely,

American Legion Post 90 PR Officer,

Ted Clark

POST 90 MARKETING CORNER

Hello Everyone,

Oktoberfest was a considerable success for American Legion Post 90. I am delighted to report another success for the Marketing Committee, this time at the German American Social Club’s Oktoberfest in Cape Coral on Saturday, October 23rd, 2021, and Sunday, October 24th, 2021. With help from the Riders, we had conversations with ninety-three festival attendees, distributed sixty applications, and handed out seventy business cards. Most importantly, we collected contact information on forty-three prospects, including four American Legion Post 90 Sons of the Legion, four Auxiliary, three to five Legion Riders, and thirty-three regular prospective members. However, the main public relations activity for a nonprofit like our Legion Post is publicity. Getting visibility for our Post and our programs, gained from exposure to thousands of festival attendees, is difficult to measure but effective in enhancing our brand image. We were questioned by a freelance reporter from Wink TV and hopefully will appear on the local news tonight or tomorrow. I suspect the motorcycles again helped to gain attention on Saturday as it did on Bike Night. Our tent was near the visitor entrance. Oh yes, we also collected \$163 in poppy contributions! I want to thank Jeff Zambrana, James Stephens, Bill McKernan, Harry Finke, & Brian Ensley from the Marketing Committee, and Rick English, & Charles Doody from the Legion Riders. A special “shout-out” to Harry Finke for coordinating the festival details. Given all the success we had and the experience we gained at these festivals, we look forward to other celebrations in the Cape Coral area next year.

Sincerely,

American Legion Post 90 PR Officer,

Ted Clark

Hello everyone,

On Wednesday, October 20th, 2021, at 6pm, Carl Saitta & I invited the local JROTC instructors and their spouses that we support to American Legion Post 90 for free dinner and drinks paid for by myself. This year we welcomed instructors & their spouses from two other local zones to join us. I conducted a short meeting where we exchanged our contact information with one another and discussed when the opening of JROTC would be at our local High Schools. I should have that information available for you all in the next newsletter.

The Cub Scouts, Boy Scouts, “Female” Scout groups that American Legion Post 90 supports are currently in the middle of their Popcorn sales. I am happy to report that they have raised over \$5,000 so far which allowed them to pay for tuition for everyone that belongs to them! Thankyou!

Sincerely,

American Legion Post 90 JROTC Marksmanship Program Chairman,

Dennis Stebbins

Quilt Presentation Nov 11 at 1 pm

Please join the Auxiliary and Legion when we honor and recognize two of our Veterans. Charles Evans and Barbara Gustafson will be the recipients. The quilts were donated by an Auxiliary member’s friend who quilts for a guild that gives their products to many veterans. We are proud to be able to offer these to Charles and Barbara.

Live the Promise. Be *Exceptional.*

Hello everyone,

I want to thank everyone who participated in the Blood Drive held at American Legion Post 90 in the Lee County Blood Mobile Van on Saturday, October 23rd, 2021, from noon-5pm. From your generosity, Lee Health collected twenty-three units of blood which is greatly needed in Lee County. Thank you again. The next Blood Drive will be at American Legion Post 90 on Saturday, January 15th, 2022, from noon -5pm.

Sincerely,

American Legion Post 90 Blood Drive Chairman,

Chris Wing

Hello everyone,

First, I would like to thank everyone who has already renewed their memberships and remind those who have not that the end of the year is coming fast. The Sons will soon be starting our Christmas Cash event, so look forward to that! Finally, it is always important to remember that your support means that we can assist veterans and their families, as well as supporting charities such as Special Olympics.

Yours in Service,

Sons of the American Legion Post 90 Commander,

Sean Wing

Hello everyone,

Our most comfortable riding season is upon us, and we are riding a lot. Currently, we are planning our 4-day trip to Key West the first weekend in December. We have 24+ people and 18 bikes, so far. Besides the biker events and the fundraisers, we are also doing Plaque Game Rides. The marketing table at Bike Night brought more contacts and even a new member or two. At this writing we had not had our German Festival event yet but, I am sure it is going to be a success. Thanks to Ted Clark for allowing us Riders to share the table and tent. I am not sure why we do not have more participation in the American Legion because the stuff we do is so often fun! When it is a worthy cause, it is even more fun!

Sincerely,

Director of American Legion Post 90 Riders,

Rebecca Sewell

TED CLARK

Ted Clark joined the Navy reserve when still in High School. Upon graduation from High School, Ted transferred to the regular Navy for 4 years and served from 1960-1964 as a Gun Fire Control Technician (FTG) aboard the 6th Fleet Admiral's flagship USS Springfield CLG-7, a guided missile light cruiser in the Mediterranean. Springfield cruised continuously with the sixth fleet and joined other fleet units and those of other nations in national and multinational exercises. He later transferred to the USS Mitscher DL-2 to complete his enlistment. Ted was discharged from the Navy in August 1964 as Petty Officer 2nd class (E-5). He holds the Navy Good Conduct medal, the National Defense Service Medal, the Navy & "E" ribbon, the Navy Sea Service ribbon, and is a Vietnam Era veteran.

After his discharge from the Navy, Ted worked in banking for 10 years rising to the rank of Assistant VP in the Consumer Lending Division of a major bank. However, due to a lifelong desire to teach, Ted returned to college and earned his AS and BS degrees in business using the GI Education bill. Ted then earned an MBA, with a concentration in marketing, from Long Island University and a Ph.D. in Strategic Management from the State University of New York (SUNY) at Albany. Ted Clark retired from college teaching as a marketing professor, in the School of Business at the State University of New York in New Paltz. He taught for 30 years and was able to use his military service as "previous service" and retire early.

TIP OF THE HAT!!

TED CLARK

During his tenure at SUNY, Professor Clark launched his own consulting company specializing in market research studies. A published author with interests in the areas of marketing, Ted received multiple awards and designations during his career. These include the Distinguished Teacher of the Year Award by the Alumni Association of SUNY New Paltz. The only business professor to receive this award twice and induction into the SUNY New Paltz School of Business Hall of Fame, one of only two faculty to receive that award. He was also the founder and advisor of the American Marketing Association (AMA)–New Paltz Chapter. Under his guidance, the New Paltz Chapter was the recipient of the International AMA’s Superior or Outstanding Honor Awards for twelve (12) consecutive years and one of the top ten international chapters for 5 years, the smallest college to achieve that distinction and the only SUNY college. In addition, Ted was the recipient of the AMA’s Outstanding Advisor Award and Advisor of the Year. Ted also received the Provost Award for Excellence in Faculty Service and is the former Director of the Business School’s Business Institute. The Business Institute links the expertise of students and faculty with local and regional organizations to help solve business problems.

He retired in 2015 from Academia and moved to Cape Coral with his lovely wife, Carolyn but continues to consult in New York. His wife Carolyn is an RN and holds a BS and MS degree in Nursing and Nursing Administration and was a hospital administrator at a 300-bed hospital in New York.

In 2020 he became active with American Legion Post 90 in Cape Coral, Florida first as a member then as the Marketing Chair. Ted became the Public Relations (PR) Officer, Oratorical Chair, Executive Committee Board member, the Chair of the Legion Post’s Buddy Check Program, a member of both the Honor Guard and Color Guard, the Ad Hoc Constitutional Committee and Associate Editor of the Post Newspaper, all at the same time! As the PR Officer, he manages a 5-member Marketing Committee to manage different media. Recently, his Marketing Committee assumed the additional responsibility of developing publicity for all the units within the Post, Legion, SAL, ALA, and Riders. Although Ted has only been with the Post for a couple of years, his contribution has had a tremendous impact in gaining positive publicity for Post 90 and resulted in a substantial membership increase across all four units. This is the reason he is receiving this edition of the Post Newspaper’s “Tip of the Hat”.

On Saturday, September 11th, 2021, American Legion Post 90 celebrated the 20th Anniversary of 9/11. This was the 20th Anniversary of the War on Terror, and we all remember where we were that fateful September morning in 2001. America lost over 2,000 of its citizens in New York, Washington D.C., and in Shanksville, Pennsylvania. You may know someone who lost their life that day. Let us never forget! The Flag Retirement Ceremony at American Legion Post 90 started at 3pm and a 21-gun salute was performed by the American Legion Post 90 Honor Guard. At 4pm, everyone went into the Legion for a free Spaghetti Dinner and cake.

On Monday, October 11th, 2021, American Legion Unit 90 held their first Quarter Auction. There were vendors, prizes, and great food to eat. Fun was had by all who attended. \$800 was raised at this event which went towards the American Legion Unit 90's Children & their families Christmas Party on December 20th, 2021. Thank you to all the auxiliary members who volunteered to make this event a success.
